Give Me Liberty

I will stay with my adults.

I will not eat or drink in the galleries.

I will look at art but not touch the art.

I can do some or all activities in any order.

The Gallery Teachers want to hear my ideas about what I see in the art.

I can take a break, have quiet time, or read in the Library.

There will be Gallery Associates in black shirts to help me.

I can run, jump, and play outside on the front lawn.
