

My Visit to the Amon Carter Museum of American Art

I am going to the Amon Carter Museum of American Art!

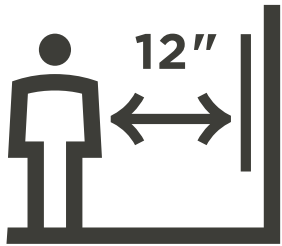

There will be staff to help me check in.

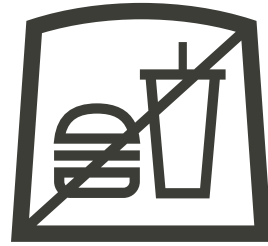

I will look at art in the galleries.

I will look at art, but not touch art.

I will keep a safe distance from the art.

I will not eat or drink in the galleries.

I will walk, not run, through the galleries.

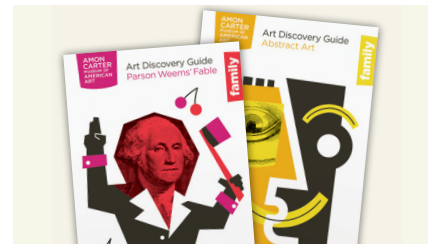

There are things to do in the Family Pop-up Space.

I can listen to or watch content for artworks on my smart device.

I can check out an ARTivity Tote bag to learn about art.

I can pick up an Art Discovery Guide to explore artworks in the gallery.

I can relax and have quiet time in the Auditorium.
