

Opportunity for Skilled Workers

IN THE

AIR SERVICE, U.S. ARMY

Are You the Man?

Squadrons have been and are now being formed for service abroad. Picked men are being enrolled from various classes of skilled workers; these men will be given special training, according to their vocations, in the work required in the Air Service. They will get actual practice work on airplane motors, trucks, airdome construction, and everything that will be done on the other side.

If you operate a lathe—drive a truck—splice insulated wire—fit a joint—or do other skilled work *better than the average*—perhaps you *are* the man.

But you must have the skill—because the skilled men will be enrolled as non-commissioned officers—ranking as Sergeants and Corporals.

PHOTOGRAPHERS ARE NEEDED NOW!

Are you the man to be a non-commissioned officer?
