To Mrs. H. W. Struss,

729 St. Nicholas Ave.,

City.

Dear Mother;-

Instead of sending out the things I want, could you not give them to J. M. when you see her Wednesday? There isn't very much. The stickers you will find in the collar box that was on the stamp books in the study. They are in a blue envelope. Then I want some writing paper which you will find in the small book-case near my desk, in a box with a picture of a child on it. Also some collars,

and a dollar, ^{or more} which I forgot to ask you for. Movement chaque
jour and twice today sans pills. I won't ~~that~~ take the
latter unless I absolutely need them. How is Lillian? I hope
she is better. Tell Will I wish him success in Wednesday's
games. Is Harry engaged? Hope not.

I don't believe I have forgotten anything this time.
Hope you got home safely last night. With love &
kisses to you and the rest, I am,

Your affectionate son,
Carl.

Monday afternoon.
