Dear Mr. Struss:

I hope you will pardon my long delay in thanking you for your photographs. I want you to know that I am deeply appreciative of your kindness and thoughtfulness in sending them to me. They are the most beautiful pictures of myself I have had in years. All my friends feel about them as I do. I hope that they are only the first instalment of many more "stills" that you will take of me. It was a great pleasure to work with you.

You will be glad to know that Lambert is directing my present picture and that I am very happy to be working with him.

It was a great shock to learn of Mr. Ince's death. I hope that it will not affect your plans unfavorably.

With very best wishes and grateful appreciation, I am

Sincerely yours,

*Don. Levey*

P.S. Please remember me to that sweet little person, your wife - I will never forget her charm - Neither will I forget your kindness in sending me the beautiful pictures. I am having them framed.
