Mr. Karl Struss,  
1343 North Orange Grove Ave.,  
Hollywood, California.

My dear Mr. Struss:

I hope you will honor the Tenth Annual Salon of Photography with some of your choice work this year.

You, no doubt, will know that we are hoping to have the best work which has been done by the various pictorialists during the past years, and there is one print which we hope you will submit among others and that is "Rythm" which was shown at one of our former exhibitions.

I think this is one of the most beautiful prints I have ever seen and am particularly anxious to see it again on the walls of the Albright Art Gallery. I do not recall whether or not the original print was for sale, but hope that we will see either the original or a replica and that there will be a price upon it.

I hope that we will also see some of the work of the other Los Angeles pictorialists this year.

With kindest regards, I remain

Yours very truly,

*Ed Pierman*  
President.
