Mr. Karl Struss,

My dear Mr. Struss:

We very much regret that we could not acknowledge, before, your application for membership in the Pictorial Photographers of America.

Our delay has been due to the illness of the Chairman of the Membership Committee and to the great amount of work in connection with the Third International Salon.

It is with pleasure that we inform you that your application as a member in the Pictorial Photographers of America has been acted upon and accepted.

We want you to feel sure that you are very welcome and urge you to get the most out of your association with the organization.

We hope you will take part in the work we are doing, encourage the appreciation and standing of photography as an art among your friends, and send in any ideas for the good of the art.

Wishing you every success in your ventures, we are

Most sincerely yours,

Carl Klein
Corresponding Secretary.
