Dear Mr. Struss: Under another cover I am
sending to you a copy of the Photo-Art num-
ber of THE SPECTATOR. On the inside of its
title page you will find a cut of your print,
THE CITY OF DREAMS. Our publicity man, who
wrote the dope on the Art page, is wholly res-
ponsible for the issue.

I send it thinking that it may
interest you.

Yours very truly

Albert Jourdan, secretary
