Mr. Karl Struss,
 Hollywood, Calif.

Dear Sir:

We are very glad to accept your subscription for the "Progress of Nations". We appreciate your support of our work and we are confident you will find the set both interesting and valuable.

Your subscription really serves a two-fold purpose. Not only are you securing an excellent history but you are aiding materially in the work of Rehabilitation being done by the Disabled American Veterans of the World War.

You will enjoy the "Progress of Nations" we are sure. It is the work of internationally famous historians and is not only accurate as a historical reference but most interesting reading. The workmanship and materials are the best that can be secured. A special dedication page is being bound in your set which makes it individually yours. Will you please check this over carefully as shown on the enclosed verification form and return this form to us immediately with any corrections.

We appreciate very much your support of our work.

Sincerely yours,

Rehabilitation Department
