Dear Karl:

I took up the matter of the reproduction of some of the slides from the Hollywood Stereo Salon with Dr. Duane Smith who, as you know, is the Chairman of the Show.

He discussed the matter with the members of his Committee and the enclosed letter was sent to me after the discussion.

My first reaction was to write to you right away and tell you that I did not think it could be done as there was nothing in the entry blank giving permission for duplication and without it, it would have been necessary to get the permission from each individual maker. This would have taken a good deal of time and would have jeopardized the show getting the PSA medal next year as the slides probably could not have been returned to the entrants in time to meet the deadline.

Thanks very much for the offer...perhaps something can be worked out for next year.

I'll be looking forward to seeing you at the Stereo Club Meeting on the 17th. I do not know whether or not you have seen slides made by Paul Wolf, a past Chairman of the PSA Stereo Division. We have a set of his slides coming for showing at the meeting.

Sincerely yours,

Merle
