

Monday Sept 15th

My dear Laura

The photos and daguerrestypes
have just arrived.

I hasten to tell you how
delighted I am with them.

They are perfect, and no
one could have done
better, indeed I doubt a
well.

I know I shall want

more copies.

Thank you very much
for the trouble, it has been
worth while for it will give
so much pleasure to my
sons.

affectionately
Eugenie Shonard
