

1225 WOOD AVENUE
COLORADO SPRINGS, COLO.

My dear little Laura:-

God is my little girl
this morning. I wish I could be with
her and I did enjoy so much.

Periond I will have your
pictures sent - this morning to Mr.

The reason for this being so late -
was that I didn't have any of the
front - part not finished and exp.

one for you and I know they didn't-
do it. But they will try to reach
this morning.

I am darling & have been
thinking of you a lot lately
and wishing for you. No one else
can fill in the slightest way like
my girl. George has been away
for ten days and I was like a lost-
sheep but the dear old boy is back
now and I'm happier than ever.
It was simply terrible to be
separated but - there was no other

way. The man and wife are down there now
and are stark-bumtrod in the little chamber.
Oh it will be so perfect to have our own
little home and it is really going to be sweet.
I am sure if you knew what a darling George
is. In my greatest imaginative I never
dreamed of being as happy.

Last night asked George and
I went out to the Allen Park and
got- Cabs and went out for supper.

Soulheart- I must go because
we have a hundred things to do today
Mr. all my love to your Soulheart-girl
and God bless you. My love to your
Mother and George

Yours very
truly
Clara
