

THE $\pm$ RANCH
FOLSOM, N. M.

My dear darling girl
If you only knew how I felt
when I heard it. was for her to phone.
for precious precious girl - no one
else cared about - not so much in
this world but George and for. for how
the weeks went - on Monday and was
since we have been alone and I guess
I did too much to have felt - just
terribly. Everything is nearly perfect

now and after resting tomorrow hope
and pray I'll be all right for the
trip. I simply couldn't get to the
Ranch and there is a drift-
st machine and get through.

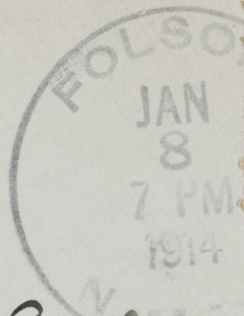

George told me to be sure and
give you and tell you that I
couldn't say much as there were
so many people around. You will
be sure to come up to stay with us
in Denver. Don't forget darling. My
heart aches to see you.
I feel the love - that's what

I can't write - there is so much to do
so good bye and God bless you
my dear best in the world.

Expect - to leave Friday

Yours own

Charles
