

Miss Smith
Valentine
How long little
I feel like giving
you some.

My dear little Anna:-

Just a line sweetest girl to tell
you that I had a letter from you on Valentine's
day. I had a letter all written to you & was
when I received your letter that you were going
to the South to pack up. But as soon as I
heard you were home again I wrote to have a
little bunch of violets to wear from me & your
sister - loves.

I was glad to get your dear letter
I had to send you the old & being sold to. It
was such a happy two months & spent - yes.
It will be fine for you as hear from. I send
you love & love & love.
Don't forget about me darling
- Gladys -
