

Dearest Lenny: - Don't think
I am very foolish - but I
ordered you Xmas gift. She-
t box, yesterday! I'm wishing you

will like to give it - so for what!
I am perhaps a little presumptuous
to think - you would want it - so much!
I am so busy - & will be so much.
Wishes be - I think, true some of my gift -
I must get - now - I have no time
for letters - but you - think - of you, &
wonder why you don't - write - to me. Love to
mother. With deep affection to you - Your loving A. S.
