Dearest Laura:-

That was a lovely thing you
did, to think of sending me the telegram.
It came on my ~~birthday~~! I knew you
would be glad of that! I had some
press notices - will send another one
later. My people, Miss Parker, will be

immense success! And it - has a real
triumph for me. I feel grateful & very
happy that it - is all over, & so well
done.

I have the most wonderful birthday that
anybody ever had. It is one of the
five - things - I want to tell you about
this summer. Love to mother. Love and
deep gratitude for all the beautiful things - you do
for me. Love Louis L. S.
