

Sunday night -

Dearest Anne.

The record is just - as
wonderful as you think it is.
I am very grateful to you
for it. It is very moving
in its profundity. It has
an absolute beauty - an
ascetic force of restraint
that fills me with awe.

The warmth of his love is
so wonderfully reproduced.
It is absolutely satisfying
from every standpoint. Beauty
like this can find
no appreciation in words.

For me very good to me. I
don't know how to thank you
for all your loving thoughts.
I can only love you & love deeply
sincerely that you love me.
Love devoted &c.
