Dear Laura -
or should I say
Miss Gilpin, this is
Otto Simon's sister
writing to you. Your
father may remember
me. I only wanted
you to have a few
lines from one of
us to let you know
how mother & Otto's
brother and sisters
appreciate what
you and your
good mother & father
have done for
him & his dear wife

We will never
forget your great
kindness to them
both. For in such
sorrow & grief
love & kindness
are the only things
that count! Hoping
you all keep well
with many thanks
gratefully &
sincerely yours
Minnie M Simon
