

My dear Anna.

Anna has
been laid quietly to
rest near a great pine tree.

It was all very wonderful,
the devotion and love
that ~~have~~ been given
her memory. And at
that last solemn
moment of the church
service, before her walk
out of her bays - stepping
men - to whom she
has given inspiration

I was so grateful for the
flowers on that long journey
and for those that I sent
later. They rest about her
now — except one which
was pinned to her breast.

and the lesson of
life and action.

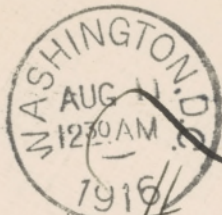

So my child has
gone from the earth,
but her spirit & the
lesson of love, tolerant
sympathy, pray God, may
always be with us &
those she loved.

I write to you among
the first. Thank you
for all you have done
and also thank.

Laura has given a wonderful
relief to the living Anne
and an unusual tenderness
to the one that lay slowly
wrecking her life away.

God bless you all + my
many friends of Colorado
Spring. Affectionately
M. B.
