COLORADO SPRINGS

Dear Miss Gilpin:-

I have just learned from your mother that the trip can not here has not materialized. I was not hopeful but wished so much it might be brought about. I was ill at the time but wrote Mr. Willis a long & I thought eloquent letter about it, but had no reply. I think that sometime when you are here on the ground it can be managed.

How about the Summer Cant?

Best wishes

Faithfully

Frederic Ayres

STEINWAY

The Pre-eminent Piano

The Steinway is the one Piano known and used throughout the world. Wherever Pianos are sold, the Steinway is carried by the leading Piano Dealer as his leader.

The Steinway is the Piano used by nearly all of the world's greatest pianists, vocalists and instrumentalists.

The Steinway is the Piano used by the great majority of the best teachers of music throughout the world—in California alone nearly a thousand teachers use the Steinway.

The Steinway is the Piano found in the homes of nearly all lovers of music, of people of discriminating tastes and those who purchase only the BEST.

There must be a reason why the Steinway is so pre-eminent. Indeed, there are scores of reasons why—mere words here cannot adequately express them—but if you will accord us the opportunity, we will gladly show you why the Steinway is preeminent among Pianos.

The Steinway is universally acknowledged the **Standard** by which all other Pianos are judged. In spite of its manifest superiority, the prices for Steinway Pianos are no higher than asked for competing makes—Uprights are priced from \$575 and Grands from \$875. Convenient payment terms may be arranged.
