

Wednesday A.M.

Dear Sam -

It's wonderful
here! I went to bed
at eight o'clock and
didn't wake up til seven.
There are lots of baby
chicks, and cats, and
cows. Everything so

fresh & green.

Tell Edie I was sorry
not to say bye-bye to
her, but I didn't want
to interrupt Merrimone
in the Winiawskin.

Bring your oldest clothes,
and warm ones.

Love to Margie. Tell
her I wouldn't have missed
that party for anything -
