

Monday 4.30

Dear Laura.

I was about
the Journal just at
hand. It is ^{as} ~~as~~
hard for you to feel
as do I do about
it - After all the
non-acceptance
is but an incident
in its ultimate
Publication.

I enclose a letter
of some time ago

Reason Kidney
letter after taking
Month on 2nd thought
maybe to keep it if I
used it as a sort of
introduction later.

^{better} Any suggestions from you
or Dana please let
me know / hurried

Mr. Sams
address

written

Would you do
what you can
for me about
Mr Ramsey. I should
think see him
first with all the
data, photographs &c
I gave to Scribner.
I enclose this letter
with Mr Mr Bonner's
name. Possibly
he would be the
next choice

after Kumar - Is there
any foreign more favorable
than Kumar - If you
+ Brenda do not think
so, try him, - It is
as good as if
you will do this for
me. I am so helpless
of all the things with
affairs to write
little.
