My dear Laura.

It has been
so long since I heard
from the girls, but I
know the new hour
has taken all of your
thought and probably
strength — I am sure
your book helps
now together and I
am so happy also
that these girls in
strange afflictions

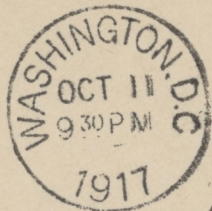

and America's dear friends
and my own, are
giving together so
beautifully. You
know I wish you
great inspiration to-
gether and that your
different Arts may
grow in feeling &
beauty

So this is my
greeting to you!!

Your last letter was very
short but I understand
+ Brenda's was
so long as it came like
prehistoric times when
I last read from her in
a peculiarly delightful
+ "wiggling" letter. I hope
that I always welcome
I read from Bailey - No. 10
me all is well + the

Hour is perfect + the
work developing. Possibly on
Our Wedding Anniversary it
may be put in place
Dec 21st — Ask Brenda.

Both of you will soon
you two are, both doing
a great deal, are a strong
link of Continuity I hope.
Do not let it weaken for
us. I would be troubled
With very dear affection to you
both from Always yours,
H.T.
