My dear Miss Gilpin

Thank you for the check
and the kind words. I
wish it were so that we
could see more of each
other. Comradeship in a
common interest is very
rare. By all means go
to St Johns, Newfoundland
for a few midsummer weeks
if you can. It is unique.
The people are very friendly

and there is a wealth of
picturesque material in the
nearby towns.

Best wishes for a summer
outing

Most cordially yours.

Gertrude Käsebier.
