

THE ALUMNI ASSOCIATION
of the Clarence H. White School of Photography
NEW YORK CITY

The annual meeting of the Alumni will be held at 471 Park Avenue, New York City (office of Dr. Jaeger) Friday, April 30, 8 P.M.

At this meeting the last of the season's lectures arranged through the Alumni Lecture Fund will be given by Mr. Steven H. Horgan subject: "Photography and the Printing Press".

Mr. Horgan says the Bromoil process will eventually be connected up with the printing press. This will be of a special interest in view of the enclosed pamphlet. Mr. Horgan will have much of interest to tell us of the application of photography to printing.

A short business meeting will be held before the lecture for the purpose of electing officers for the coming year. Plans and photographs will be shown of the new building to be used exclusively for school purposes.

ALFRED COHN,

Secretary.
