Dear Madam,

Your beautiful little print "The Prairie" which you sent to the London Salon of Photography this year particularly attracted my attention as one of the outstanding pictures of the Show, and I have had a reproduction made of it for "PHOTOGRAMS OF THE YEAR".

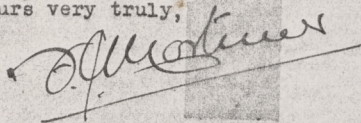

If you have no objection I will retain the print for a period for inclusion in the set of original prints from "PHOTOGRAMS OF THE YEAR" which circulates among the leading photographic societies of the country. This collection makes a very notable exhibition and is highly appreciated.

A special presentation copy of "PHOTOGRAMS OF THE YEAR" will be sent you in due course.

Your prints, with the exception of "The Prairie", will be returned at the end of the year.

Hoping to see some further specimens of your work at the Salon next year,

I remain,
Yours very truly,

Miss Laura Gilpin,
