Ypsilanti - Feb 18 -

My dear Miss Gilpin -

The photographs
came & are being & look
fine - the exhibit is even
more lovely than I remembered -
Can you tell me how
much the unframed
photo of the class, that one
you took last fall in Fox
Auto Park - I am anxious
to have one.

I will send the exhibit
on to San Diego about the
5th or 6th of March if that is
not too long to keep it - Let me
know if that is not satisfactory

I had a clipping sent me
stating the name of the
new Landscape teacher
I supposed Mr Carlson
had accepted -

Have you heard from
Mrs. Piller yet -

I have not seen Mrs
Scranton lately but believe
she plans to return to
Col. Spgs. this month -

I do hope I can sell
a photograph or two -

Very truly yours,

Betha Gordon
