June 19/11.

My dear Miss Gilpin

Your letter asking
address of half tone makers
came while I was at N.Y.
I phoned to the Photochrome Engr.
Lafayette St. - the makers of the
plates for Miss Witte and they
said they would write to you.
The postals are printed by
Norman J. A. Menden & Co
Baltimore Md. They are
considered the best printers
of half-tone in U.S. - You
will find William E. Rudge Inc.
216 William St. N.Y. also a
very good printer of half-tone
A week or two ago I sent
you the copy of paper of mine
which I trust reached you

work and as I feel it

ability to produce results.
I am hoping that the
Exhibition will prove to be
entirely satisfactory and
successful. - By the way
you will doubt have received
word of our
