My dear Miss Gilpin:

I have your card about the pictures, and I am glad that you liked them. I have just found the negative you speak about and will make two prints and send them to you as soon as I can.

According to my records you have paid me \$30.00 which covers the first sitting and one print which you took and two prints from the above negative. This leaves the second sitting from which I sent you fourteen mounted prints, to be accounted for as follows:

Sitting and 3 prints	-	\$30.00
11 extra prints	-	
	@ 5.00 - - -	55.00
Due	- - - -	\$85.00

If you wish additional prints, I will make them for you at \$10.00 each.

The P. P. A. exhibition at the Art Center looks very nice, and we wish you could be here to enter into the festivities of the occasion.

With best wishes from all of us, I am

Sincerely yours,

Clarence H. White
