Miss Mary C. Sauter,
921 A. Ave.,
Coronado, Cal.

Dear Miss Sauter,

I wish to acknowledge the receipt of your report of Miss Laura Gilpins pictures. I presume this report is offered free to Camera Craft as we do not pay for such contributions.

I shall be pleased to publish your contribution if I can have some pictures to go with it, they always add interest.

You might advise me if the cuts you mention in your letter have appeared in print before, if so, when and where? Please let me know the size of the cuts and if you could spare four.

Awaiting the favor of your reply,

Yours cordially,

Edgar Fellows

Associate Editor.
