EDINBURGH.

Dear Miss Gilpin,

Thank you for your
kind letter. My thanks are
late, due to the fact that I
have been moving about Scotland
chiefly for the last few days, &
your letter reached me only
yesterday. - I have been as
far north as Dundee, where
I spoke to over three thousand
people in a beautiful hall.
This in spite of other attractions

in the way of political meetings.
we are hoping for a conservative
majority, but one never knows,
for the extreme socialists are
very active, & holding out all
sorts of baits to the hard labourer.
Your description of Colorado
Springs makes me long to revisit
it. Well, perhaps some day
I may. Please send warm
greetings to Miss Brenda when
next you write her.

With ever good wish,
Yours sincerely,
J. Parker-Robertson.
