Miss Laura Gilpin,
30 West Dale Street,
Colorado Springs, Colo.

Dear Miss Gilpin:

Thank you for your kind communication of recent date, which I am able to answer only now, due to great pressure of work.

Your Prints are still on our walls and continue to afford pleasure to a large number of our visitors. Whenever you wish to have them returned or shipped elsewhere, we shall be only too glad to do so.

I shall be much interested to see the result of your European trip.

I thank you for the kind offer of co-operation on your part, of which I shall avail myself on the first occasion.

Sincerely yours,

Director.
