STANFORD UNIVERSITY, CALIFORNIA

May 10 1922

Alice Eleanor Shinn,
Oakland, Calif.

Dear Miss Shinn:-

In reviewing our exhibition schedule we have decided that inasmuch as Stanford is closed during September that we will not commence exhibitions until October. However we find we have two weeks in June available for one of our galleries and we will be glad to show the photographs two weeks in June.

We are mailing your photographs today.

Sincerely,

Pedro J. Lemos
Director.
