My dear Miss Gilpin,

Since writing to you the other day
I have conferred with the friends of the
Club in general and Mr. Titus in
particular and they have asked me
to write again and ask you the
particulars concerning your exhibits
of photographs. How many pictures
does it leave? Could we have it before
the end of February or sooner? If not
how soon? What are the costs of

getting it going to be etc? We can use
the Art Museum, I spoke of for the
gallery if we can leave the
exhibition rent on at once and if
the expense of it will come within the
remaining club funds. Just now they
are exhibiting some paintings of
Puebleros + his teachers and others of
the old masters whom I want your
pictures loaning. The museum is booked
for exhibitions for all but February +
part of March now. But even if we

~~that~~ you will write and tell me
what the requirements are.

If I could have your promise of
an exhibition I would give you
letter to me to the "Friends of Art Club"
here and from them try to get the
Art Museum gallery for it. That is
the most prominent gallery in
San Diego. It is in the California
Art Museum in Balboa Park. If

could use the museum we can
use other parts of Balru Park as I
wrote you before.

Kindly send me a reply as
soon as you can

Very truly yours,
(W.S.) Edward L. Smith
