

here. You will have my address -
and my name is also in the
telephone book but it is under
"La Mesa" and not San Diego in
the books. I live on a ranch
ten miles from the city near La Mesa.
Hoping you will sometime come to San Diego
I am, Very truly yours,
Sterling D. Smith

P.S. I wrote to Mr. Karl Struss
of Hollywood about the exhibition
but have received no reply. So
unless we hear from him or you
have other plans we will return it
to you directly. S.D.S.

My dear Miss Gilpin,
Your second letter has come
and I have just been authorized
by the Friends of Art Association
to write and ask you to send us
your exhibition as soon as you can do
so. We would like to have it
in the first of March as the
Art Museum is at our disposal
from that date until March 21st.
But I do not see how we can

receive it by that time. We
will lose no time in hanging it
when it does come. I believe
some etchings are to be on
exhibition in an adjoining room at
the same time and a guard of
some kind is to be posted to
take care of both exhibitions and
to attend to possible sales of the
pictures. So a catalogue or two
would be very welcome - One, with
the prices of the pictures.

Miss Stella Klauber and
I are going to hang the pictures

we are called P.P.C. members and also
students of the Camera White School.

Please send the pictures to

The Friends of Art - 510 Dr. Hewitt

The San Diego Museum, Ballena Bay

San Diego - California. The association

of which I am off a member will

pay all the expenses of the exhibition.

as they did last year of the P.P.C. exhibition

If you should visit San Diego in

the future I do hope you will give me

the pleasure of meeting you while you are
