Dear Miss Gilpin,
Yes Mr. Stick represents the
S.C. Camera Club about which
I wrote you. I suppose Mr. Titus
has sent you the letter. He should
have done so. We are now waiting
for the pictures to arrive, and the
campaign announcements are
started off. The chairman of the
publicity Committee is doing her best

called the Southern Counties Building,
Mr. Titus says he has written to
Mr. Stick about joining it on to these.

Very truly yours
Eleanor S. Smith

P.S. The article about your exhibition at least
the announcements are placed on Mr. Titus's ^{quotation} ~~quotation~~ ^{quotation} ~~quotation~~

and I'll save the articles for
you. I am going to mount the
catalogues which Mr. Rites gave me
today and then I think they will
supply us with all we need. Many
changes have occurred unexpect-
edly in Ballou Park in the last
two weeks for a committee for the
restoration of those buildings has
taken sudden actions so all
exhibitions & plans were upset but
I held on to the plan through it
all and so your pictures need not

have a splendid place in the E. J. gallery
of the California Building if they come before
the 12th. There will be an awful crowd

The old School is now moved over there
from the Judson Art Building occupancy
the little odium gallery where we could
have hung your exhibition for a longer time
perhaps. We can buy it in the E. J. gallery
until March 23rd. Then release it if we want
to until Los Angeles takes it. We could release
it in the Civic Auditorium which would be

to be a personal friend of mine and
he has not only volunteered to help
hang the pictures but has promised
to put in every article we send him
and put it in a prominent & good
place. Of course that's one of the
papers though. The other paper is a

represents the Friends of Art. So I
think will have what I wanted
and to make it popular & advertisement.
