Miss Elizabeth W. Foster,
1428 Wood Ave., Colorado Springs, Colo.

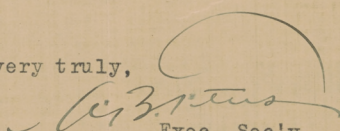

Dear Miss Forster:-

Yours of the 14th ulto., in re Miss Gilpin's
collection of Pictorial Photographs, was duly
received.

The Friday Morning Club has found it necessary to
cancel their contract for showing this collection in
Los Angeles. I have received a wire from the "Oakland
Art Gallery, Municipal Auditorium, Oakland, Calif".,
asking that collection be sent them at once; I am
accordingly shipping it to them today.

I had notified Mr. Sam Hume, Sec'y Western Assn.,
Art Museum Directors, Berkeley, Calif., that this collection
was available,- the request from Oakland comes in response
to this notification; consequently, I have taken liberty of
shipping directly without consulting you.. Have advised them
as to shipping conditions, and have sent them price-list and
a few remaining catalogs. Would suggest that you write them
any other necessary particulars.

Yours very truly,

Exec. Sec'y.
