Dear Sir

Since I last wrote you I
have been in correspondence with
the San Francisco Camera Club trying
to have them take Miss Siepin's pictures
so as to divide the expense of shipment.
I have just heard from them and
the only open date they have is from
July 15 to August 15th

This is so far in advance that
I am sure Miss Siepin would not
want to have her prints held on the
coast for so long a time, so I have
advised the San Francisco Club that
in case not to send them the prints.

I have also tried one or two other

places where I thought I might
find some one who would care to
show the prints but have not met
with any success.

For these reasons our club
will not be able to look the prints
on the expense of shipment is
more than we are able to meet
at this time.

We wish to thank you for
all the trouble you have taken
in order to give us the chance
to see these pictures and very
regret that circumstances are
such that we are unable to avail
ourselves of the opportunity.

Yours very truly
R. M. D. J.
