Dear Miss. Gilpin:-

The Christmas
rush prevented from writing sooner
to thank you for sending those six
very fine prints for our exhibition.
They arrived the day after we had
hung the pictures but I immediately
found places for all of them and
they formed a fine addition to our
exhibition.

We had over 120 entries and

being about 72 prints. I was very much surprised and gratified at the pictorial excellence of the prints and every body that saw them judged the exhibition a great success. The people at Chappel House liked the exhibition so well that they did not want to have them taken down, so we left the exhibition hang a week longer than was expected.

I would like to know if you want to have your pictures returned to Colo. Spgs. or to New York, if you are still there. I will send them immediately upon hearing

from you.

The results of our exhibition show that the Club has been of great benefit to its members and we will begin our second year with a great deal of added enthusiasm.

Thanking you for the very nice Christmas Card you sent us.

I am yours very truly
Clark Blickeus Luper.
