April 21st, 1924.

105 W. FRANKLIN ST.
BALTIMORE, MD.

IN REPLY REFER TO

Miss Laura Gilpin,
Colorado Springs.

Dear Miss Gilpin:-

The Photographic Club is conducting a series of "one man" exhibits and the Board of Governors, by vote of the membership, has instructed me to ask you to contribute.

You may rest assured if you will place your set in our hands that it will be returned to you in the same good condition in which it is received. As the prints will be hung behind separate cover glasses to insure their good care it is requested that the mounts be not over 16 x 20. We desire twenty-six prints.

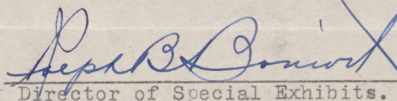

The set is to be shipped fully insured collect and it will be returned to you fully insured prepaid. During exhibit hours the exhibit room will be closely guarded.

We would like to have your set here, if possible, by May 15th for about three weeks, not over, when it will be promptly returned and carefully packed.

The Baltimore press has assured us that they will be glad to cooperate.

Thanking you in advance for your valued assistance and assuring you that we look forward to having your set of twenty-six prints on our walls, I am

Most cordially yours,

Director of Special Exhibits.

By order of the President.
