IN REPLY REFER TO

Miss Laura Gilpin,
30 West Dale St.,
Colorado Springs,
Colorado.

Dear Miss Gilpin:-

Your letter of the 24th ult. received and I am indeed pleased that your prints will be on our walls.

I would like to have your set here by May 21st at the very latest and I suggest that you apprise Mr. Shere of St. Louis of this, hoping this will not inconvenience either of you. Kindly ask Mr. Sherer to be very careful in the packing of your prints so that I receive them in good condition in which state they will be returned to you. Upon receipt of each set the prints are carefully examined and each exhibitor is immediately informed as to what condition the sets are received in before they are hung.

The exhibition will be hung at the Maryland Academy of Sciences, 105 West Franklin St., Balto. Md. Kindly send me a complete list of all relatives and friends as announcements are sent out in advance as each exhibitor's set goes up. I am sure it will come as a pleasant surprise to them to hear from you in this manner. Newspaper announcements and mentions are also promised be the Baltimore press.

Please have Mr. Sherer ship the prints to me personally at 220 North Charles Street,

Baltimore, Maryland, as I want to be there to receive them directly from the postman. Tell him to fully insure them and send them collect as we take care of all shipping charges.

Thanking you and assuring you that only the foremost workers from each section of the country have been invited to exhibit, I am

Most cordially yours,

Joseph B. Buwch

Director of Exhibits.

By direction of the President.
