IN REPLY REFER TO

105 W. FRANKLIN ST.
BALTIMORE, MD.

May 8th, 1924.

Miss Laura Gilpin,
Colorado Springs,
Colorado.

Dear Miss Gilpin:-

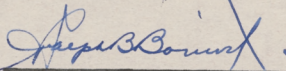

Received your letter of the 30th and will make a careful checkup of the prints to find out which ones were sold in St. Louis and immediately notify you. It is also our policy to make a careful examination of each print as to it's condition the moment it is received and formally notify each artist.

Have made a record of prices and each print will have a price card placed with it. We make every effort to hang the works attractively and to date have received gratifying publicity from the press.

To date have not heard from Mr. Sherer of St. Louis and trust your set will be here by May 20th at the latest. It will be returned to you on June 6th and I trust we will be successful in selling some. I feel confident there is a market among real connoisseurs for such work as you turn out.

Thanking you again, I am

Most cordially yours,

Director of Special Exhibits.
