

April 22, 1924.

Mr. Ralph B. Bonwit,
Baltimore, Md.,

Dear Mr. Bonwit:-

Your letter of April 21st. came to-day and I shall be very pleased to send you a group of prints. At the present moment, all my prints are on exhibition at the St. Louis Art Museum, fifty six in all. This showing will be over, I believe, on May first, so that I had best have the entire lot sent on to you from there and then you can select which ever prints you wish to show.

Mr. Sherer of the St. Louis Museum, did not say for how long a period he wished to have them, so I am writing with this mail to find out. The chances are that he will be through with them by the first.

Where do you hold your exhibitions? As Baltimore is my father's home, I have numerous relatives and friends there to whom I should like to send a notice of the exhibit.

Trusting that the portfolio will reach you in plenty of time, and thanking you for your invitation which I greatly appreciate, I am

Very truly yours,
