Mr. Ralph B. Bonwit,
Baltimore, Md.

Dear Mr. Bonwit:-

It is quite inexcusable that I have been so long in answering your last letter, particularly when you asked me to send you a list of names to whom to send notices. My reason is that I have had a job, or rather two, of series of prints which had to be completed by a given date including lantern slides. So that by the time work was done I have been too tired to write letters aside from the fact that days slip by without my knowing it.

I have not yet heard from St. Louis that the prints were sent to you, but I am sure they must have reached you long ere this or I would have heard from you.

If by the time this reaches you there will be still a week or more of the exhibit would it be a bother to you to send notices to the following list? If it is, do not bother with it, it is my fault entirely for not writing this two weeks ago.

I trust that the portfolio reached you in good condition, and that the prints were to your liking. With best wishes and many thanks, I am

Sincerely yours,
