Mr. Ralph B. Bonwit,
Baltimore, Md.

Dear Mr. Bonwit:-

Your two letters have come, and I hasten to answer the last one, regarding the print "In Est es Park". It was sold in St. Louis. A few days ago, I had a letter from the Museum enclosing the check for it and the other one. So set your mind at rest, for it did not disappear from your walls.

I am glad indeed, that my prints met with approval. Mr. Brown's criticism pleased me very much, and it is a rare occurrence that a critic is so in sympathy with photography.

Did you hang the whole group or just the twenty you asked for? I feel sure that the prints will come back in perfect condition as you have been so very careful. It occurs to me that it would be a good plan to put some bichromate into ones glue pot, expose it to light, and then prints would never come loose.

Thanking you for your interest and care, and with best wishes for your success, I am
