Miss Laura Gilpin,

c/o Broadmoor Art Academy,

City

My dear Miss Gilpin:-

I wanted to take this opportunity to thank you personally for the gift of pictures to our tuberculosis pavilion. The girls over there get very lonesome and we are now fixing the tuberculosis pavilion up and these pictures will be fine. They are very much pleased as well as I, myself. I thank you for your interest in our work.

Again thanking you most heartily, I am

Yours very truly,
