Miss Laura Gilpin,

Broadmoor Art Academy,

Colorado Springs, Colo.

Dear Miss Gilpin:-

Upon receipt of your telegram of the 19th instant I wired you that we would be able to place your photographs on exhibition April 1st. I hope, therefore, that you will express them on Monday without fail as we should have several days time in which to make the installation. Fifty prints will make a very good exhibition and I am looking forward to their arrival with a great deal of pleasure.

With best regards I beg to remain

Yours sincerely,

Director.
