

Jan. 22 - 24.

Dear Miss Gilpin: Thanks for your
kind letter. I shall go & see your
work. — I can't say when as at present
I'm laid up. —

No I'm not going to have an Exhibition.
at least I think not. I have done
the best work I have ever done
a new field entirely. But I dislike
Exhibitions intensely. The whole idea is
repulsive to me. "Exhibitions" have been
so cheapened. —

There is a lack of standards every where.
Few know what standards are.

Thanks for your kindness,
Affdly
