Dear Miss Gilpin:

Under separate cover we are sending the book, "A Treatise on Photogravure", which you may keep for the summer.

I presume that you have received the two copies of the Alumni pictures by this time, and we hope they came through all right. They are not selling as fast as they should, and we no doubt will have to send our another appeal for the members to buy extra copies.

We are all very glad to know that you are now well and send best wishes.

Sincerely,

CHW/AFB
