Miss Laurel Gilpin

Colorado Springs, Col.

Dear Miss Gilpin:

We are inviting you to send some of your prints to the combined INDIANA PICTORIAL PHOTOGRAPHY SALON. Our exhibit last year was a big success because of the excellent work submitted by such workers as yourself and we are counting on your support again.

The prints are to be received and judged at the Fort Wayne Art School and Museum. The exhibit will be shipped in its entirety to The John Herron Art Institute in Indianapolis for its initial showing from April 12th to May 8th, and will be returned to The Little Art Theatre in Fort Wayne to remain on exhibition until June 1st. Wide publicity will be given the exhibition throughout the Hoosier state. Catalogs will be distributed all over the country.

Won't you please select some of your choice prints not shown in our last annual exhibit and Parcel post them to the Fort Wayne Art School and Museum within the next few days. Paste on label enclosed and fill out the entry blank which is stamped and addressed and return at once. LAST DAY FOR RECEIVING PRINTS-APRIL 8th.

We will exercise the same great care in handling the prints as we did last year and will return them promptly to you prepaid. We are enclosing a copy of our last year's catalog.

Yours for Art in Photography,

Karl S. Bolander

Director
